Our New Store The Millinery Section

will be a feature of our new store. Enlarged to about three times the present size, it will be conveniently located on the second floor of the new building directly adjacent to the six elevators. Selling and display space will be allotted to individual lines such as untrimmed millinery, trimmed models and an exclusive children's section. The most modern fixtures and convenient arrangement has been planned and patrons will find selection a pleasure in the new millinery store.
